Your doctorate – Permission to print

Dear Mr Rahman,

Now that your dissertation with the title

**Establishment of Human Amniotic Fluid and Urine as Sources for Mesenchymal Stem Cells of Renal
Origin with Versatile Regenerative Potential**

has been reviewed and accepted by the Faculty of Mathematics and Natural Sciences, I herewith issue permission for you to print your dissertation.

You can find instructions about electronic publication under the following link:
<http://www.math-nat-fak.hhu.de/en/doctoral-research/doctoral-research/publication-of-the-dissertation.html>.

In addition, you should please follow the instructions provided in Annex 1 and 2 of the Doctorate Regulations regarding the format of the title page and the second page.

Your doctoral degree certificate can only be issued to you once we have received the certificates from the University Library and your reviewers.

Best regards
by order

Athina Stefanidou
