**PUBLISH BACHELOR'S AND MASTER'S THESES ON OUR DOCUMENT  
SERVER**

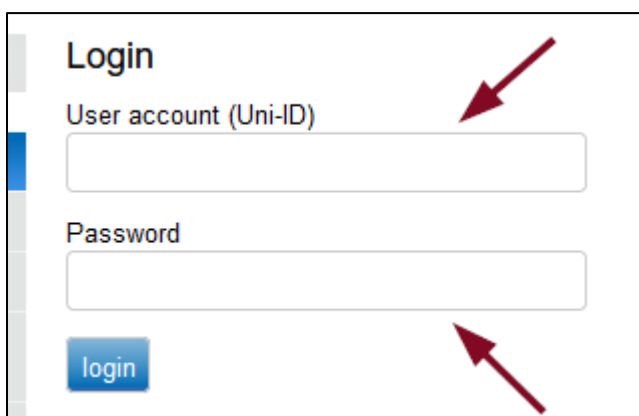

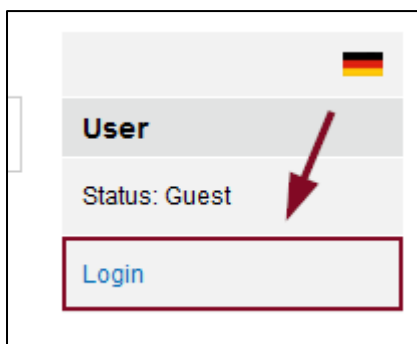

**UNIVERSITÄTS- UND  
LANDESBIBLIOTHEK  
DÜSSELDORF**

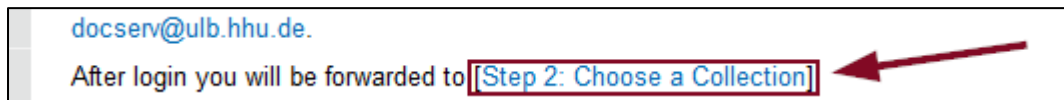

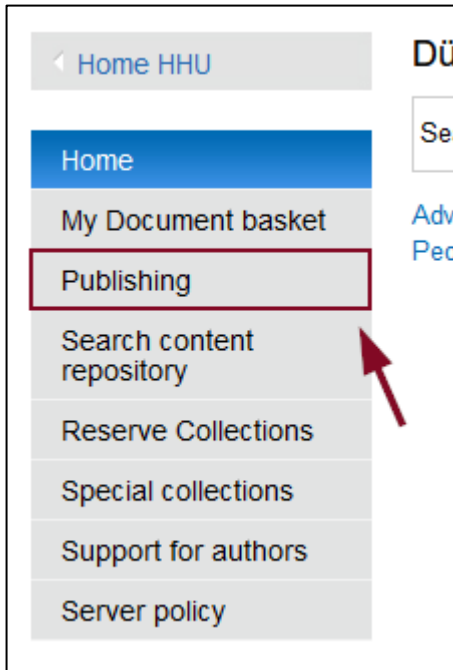

These instructions are intended for graduates who would like to publish their Bachelor's or Master's thesis on the document server of the ULB Düsseldorf. The prerequisite for this is the recommendation of one of the supervisors. The recommendation can be made informally by email to the following address: [docserv@ulb.hhu.de](mailto:docserv@ulb.hhu.de).

To publish your work on the document server, please follow the steps below:

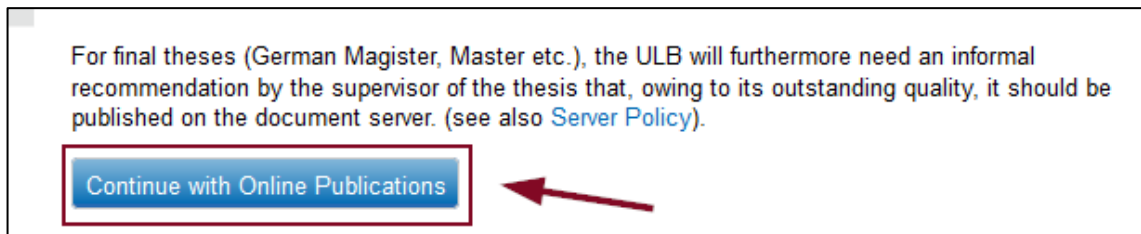

1. First, please remove or black out all personal data that is not required for publication (e.g. matriculation number, address, telephone number, e-mail address...). Please leave your name, the names of your reviewers and the date of your work visible.
2. Open the page of the document server: <https://docserv.uni-duesseldorf.de/?lang=en>
3. Select "Login" on the right-hand side. Then log in with your Uni-ID and password.

4. Select "Publishing". On the following page, select "[Step 2: Choose a Collection]".

5. Select the "Online Publication" collection here.

6. Please, enter the data of your thesis in the form. The fields marked with \* are mandatory fields. To finish, select "save".

7. Upload your work in PDF/A format on the following page. Please make sure that your file complies with the PDF/A standard. You can also find information about this on the website of the document server at: <https://docserv.uni-duesseldorf.de/authoring/pdfinfo.xml>.
